## SECTION SF 30 BLOCK 14 CONTINUATION PAGE

**The following items are applicable to this modification:**

As a result of this amendment the solicitation due date has been changed to 1 July 2004.

Section 00010 Solicitation Form for pricing adds the following price explanation:

**Projects will principally be design-build type from conceptual designs or from partially complete detailed designs. However, offerings may include construction-only projects from 100% detailed designs.**

Page 21, Para. 4.2: Delete this paragraph and replace with the following:

4.2 Heating and ventilation: The systems shall be designed, installed, balanced, and adjusted to distribute heating to all areas of the facility. Steam shall be the heating media for the facility. The main plant steam system is 235 psi. The minimum pressure available by underground steam lines to the existing building is 90 psi at the south side of the existing garage building. The pressure may be higher than 90 psi in the winter months. The existing office design will not be utilizing steam heat.”

Page 46, para. 1.10 NOTICE OF LIQUIDATED DAMAGES is changed to read, “(Ref Contract Clause No. FAR 52.211-12) A liquidated damages clause is set forth in this solicitation in the amount of (to be determined with each Task/Delivery Order) for each day of delay. \$580.00 per day of delay has been established as liquidated damages for the prototypical project.”

Page 58, para.2.4.1 Add **“The cost proposal should be well documented to fully describe the contractor's approach to pricing covering both design and construction effort with notes describing work performed, production rates for crews, basis of unit costs (i.e. subcontract quote, estimator judgment, etc.), and all assumptions pertinent to the work being estimated.”** after the first sentence.

Page 59, para. 2.1.4.3 Add **“Material submitted by the Offeror shall enable the Government evaluators to address the following questions regarding cost realism of the sample problem:**

**Relationship of cost to work proposed. Price must directly relate to the management and technical requirements of this solicitation. The proposed elements of cost are realistic, reasonable, and commensurate with the work to be performed. Reasonableness of the associated costs to the nature of the technical scope of work involved can be determined. Proposal is clear and concise with no unexplained or unsubstantiated elements.**

**Accuracy and completeness. Cost data submitted is clear, complete, and adequate for evaluation. Cost data submitted is in accordance with the Department of Labor Wage Determination and other requirements of this solicitation.”** after the second sentence.
