Oaklands Mansion Museum

All digital files of routing patterns and graphic design for the embedded graphic panels will be delivered to the contractor who will assume liability for coordinating with Folia during production and assembly.

All ground mounted signs and sculpture will have footings elevated above ground 1" (to protect from string weed cutters) sloped for positive drainage with smooth finish and 1/2" chamfered edge. This applies to sign type B & D footing notes sheets C-3, C-4, C-7 & C-8.

The sculptor will be required to provide drawings detailing footings. These drawings will require review by a structural engineer. The contractor will coordinate with the sculptor for placement, attachment, any required embedment etc.; and is responsible for constructing footings.

The access pad at the spring will not be ADA compliant.  
Contractor and structural engineer will design footing and drawings for review.

All signs will be installed EXCEPT

TN Trail of Trees/TN Official Symbols-Sign Type B at future plaza.

Oaklands Bus Parking- Sign Type C at entrance to future parking

Park Hours/Rules- Sign Type C at entrance to future parking

Contractor will coordinate mounting sleeve templates for sign at plaza.

The owner will take possession of the finished signs for storage and future installation.

Future installation of these signs is not part of this contract.

Signs and sculpture will be field located outside of other site grading and construction work. Locations are to be approved by designer.
