SUBJECT: Revised Procedures and Schedule of Operation for Melton Hill Lock, Clinch River Mile 23.1

Reference: Notice to Navigation Interests CELRN-OP-N 04-10, dated 17 March 2004, Subject: Changes to Hours of Operation for Fort Loudoun Lock, Tennessee River Mile 602.3.

The revised hours of operation for commercial vessels shall be 7:30 am to 5 pm, Monday through Thursday. No lockages will be scheduled outside of the designated hours of operation or scheduled dates as outlined above. Lock availability for any requested lockage will be determined by staff availability. All lockages will be scheduled such that they can be completed within the designated hours of operation. Commercial operators must make arrangements with personnel at Fort Loudoun Lock a minimum of forty-eight (48) hours in advance of their estimated arrival. Fort Loudoun Lock can be contacted Monday through Friday between 8 am and 4 pm via marine radio or telephone at (865) 986-2762.

A schedule is developed annually, in partnership with the Melton Hill Lake Users Association, designating twelve (12) days for recreational vessel lockages. The complete list of recreation lockage dates for 2005 are:

07 & 08 May (Saturday & Sunday)
28 May (Saturday)
30 May (Monday)

11 & 12 June (Saturday & Sunday)

02 July (Saturday)
04 July (Monday)
09 July (Saturday)
22 July (Friday)

06 & 07 August (Saturday & Sunday)

This schedule and related information is also available on the Melton Hill Lock website (www.lrn.usace.army.mil/locks) or you can contact Fort Loudoun Lock. Updates and changes to this schedule will also be posted on the web site as necessary.

SUBJECT: Revised Procedures and Schedule of Operation for Melton Hill Lock, Clinch River
Mile 23.1 (continued)

The designated hours of operation for recreation vessel lockage will be 8:00 am to 4:00 pm. All lockages will be scheduled such that they can be completed within the designated hours of operation. Arrangement for a recreation vessel lockage must be made by noon of the day preceding the scheduled lockage date. If the scheduled recreation lockage date is a Saturday, Sunday or Monday, arrangement for lockage must be made by noon of the preceding Friday. Weekend operations will not be conducted between 01 November and 30 April.

Additionally, recreation vessels will be allowed to lock through on any date a request for lockage by a commercial or US Government vessel operator has been made.
