

J. Percy Priest Lake

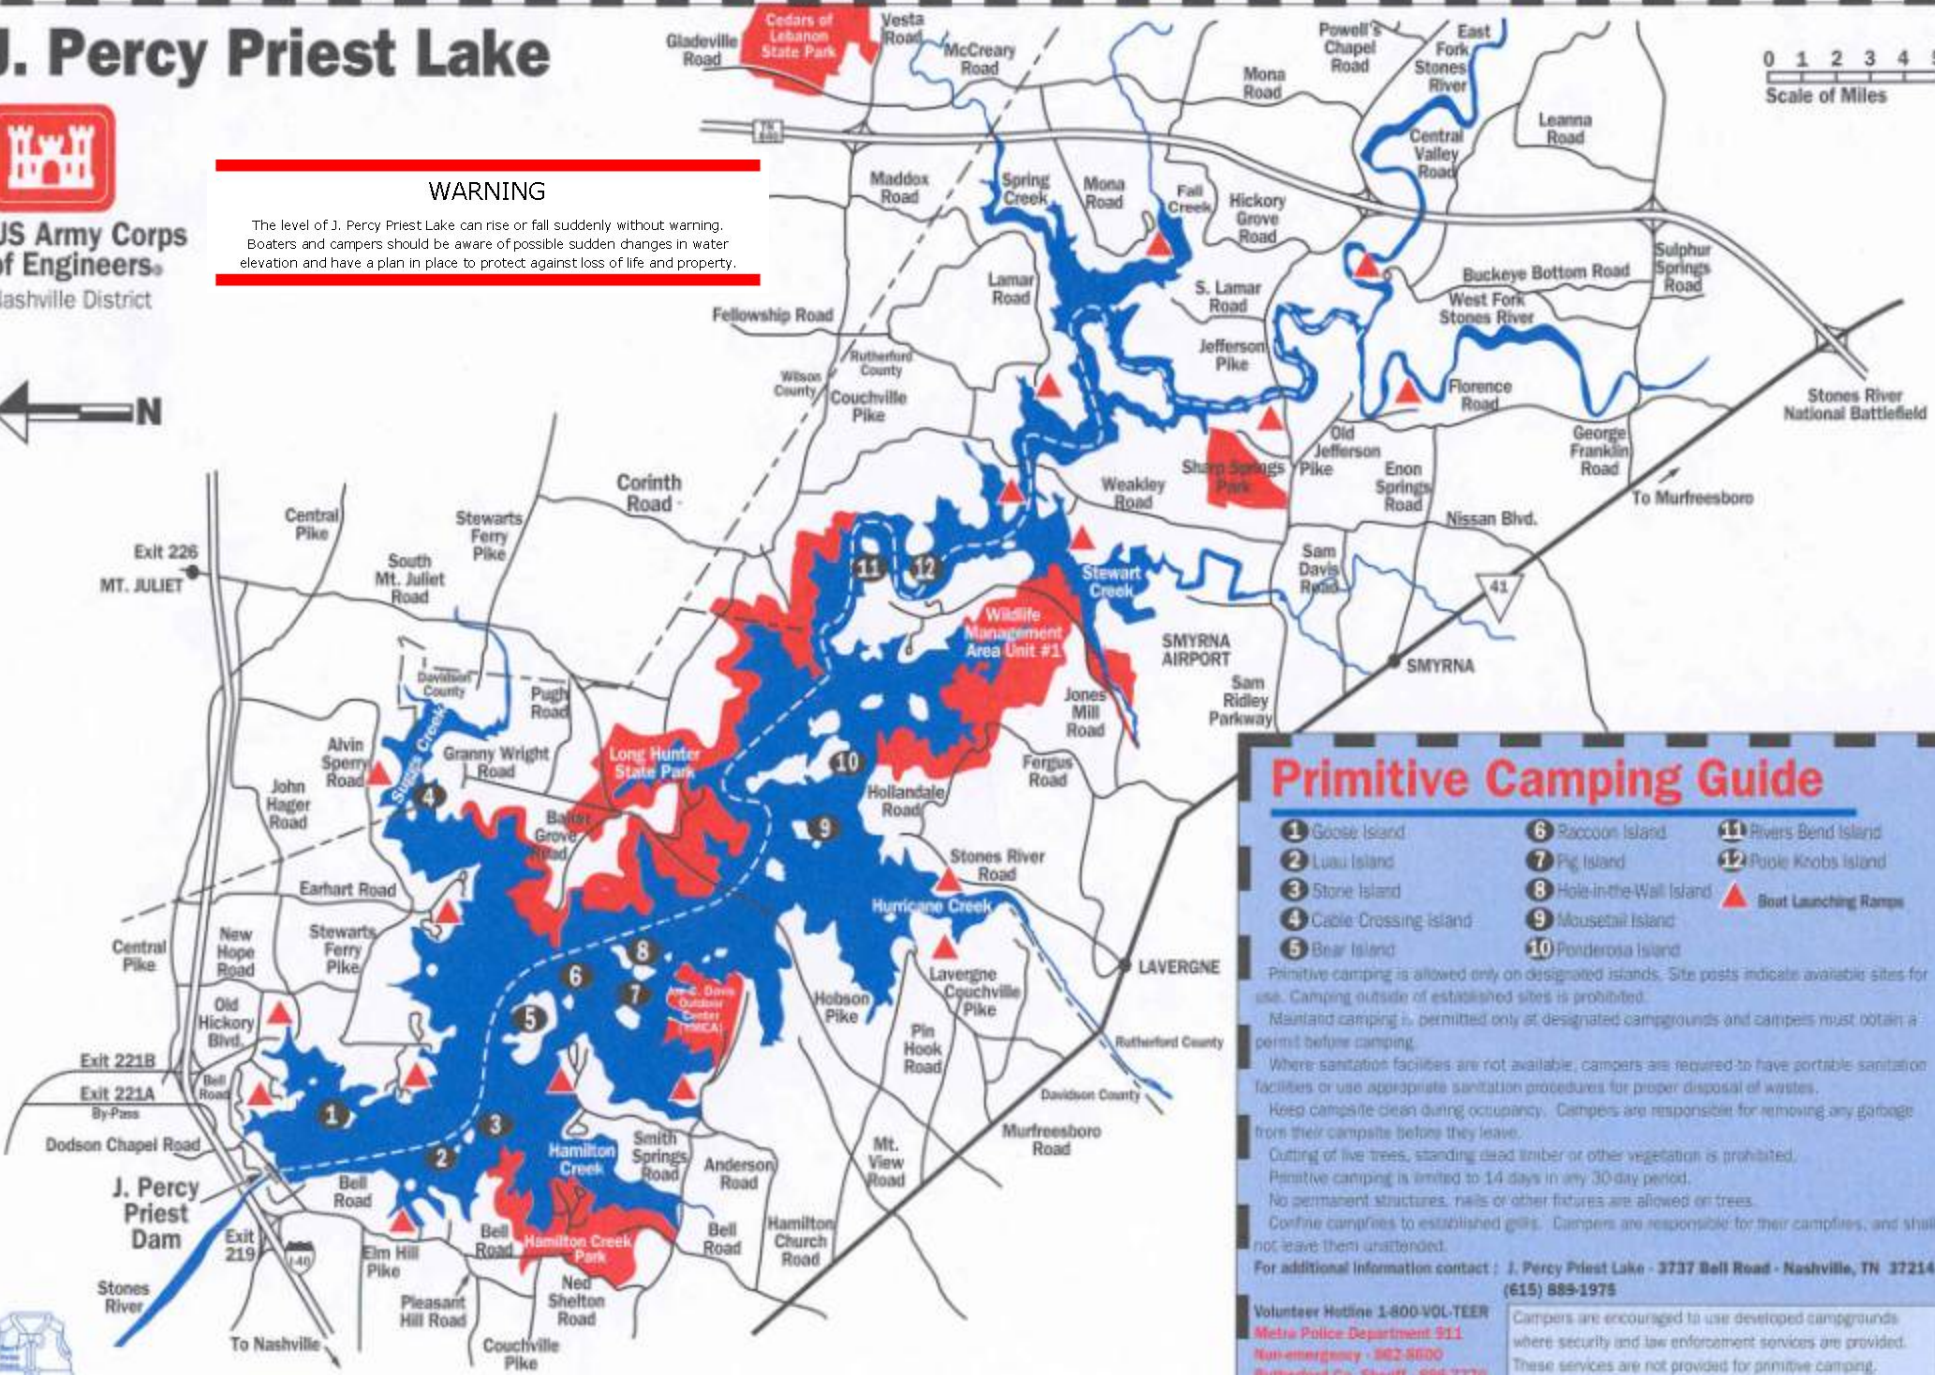

US Army Corps of Engineers

Nashville District

WARNING

The level of J. Percy Priest Lake can rise or fall suddenly without warning. Boaters and campers should be aware of possible sudden changes in water elevation and have a plan in place to protect against loss of life and property.

Primitive Camping Guide

- 1 Goose Island

- ▲ Boat Launching Ramps

Primitive camping is allowed only on designated islands. Site posts indicate available sites for use. Camping outside of established sites is prohibited.

Maintain camping is permitted only at designated campgrounds and campers must obtain a permit before camping.

Where sanitation facilities are not available, campers are required to have portable sanitation facilities or use appropriate sanitation procedures for proper disposal of wastes.

Keep campsites clean during occupancy. Campers are responsible for removing any garbage from their campsites before they leave.

Cutting of live trees, standing dead timber or other vegetation is prohibited.

Primitive camping is limited to 14 days in any 30-day period.

No permanent structures, nails or other fixtures are allowed on trees.

Confine campfires to established grills. Campers are responsible for their campfires, and shall not leave them unattended.

For additional information contact: J. Percy Priest Lake - 3737 Bell Road - Nashville, TN 37214 (615) 895-1975
