SUBJECT: Floating Plant Activities in the Vicinity of Cumberland River Mile 150.1, Right Bank

The U.S. Army Corps of Engineers will be working along the right bank at the subject location on Friday, 3 February 2006. Floating plant will be moored against the right bank with walkways extending to the bank. Activities will begin around 6 a.m. and are scheduled to be completed around 6 p.m. that evening.

Vessel operators are requested to reduce speed and exercise caution when passing to reduce the possibility of damage to equipment and injury to personnel.

FOR THE DISTRICT ENGINEER:
