SUBJECT: Demolition of US Highway 231 Bridge, Tennessee River Mile 333.3

The US Coast Guard has issued a permit for the removal of the old US Highway 231 Bridge by explosive demolition on 31 August 2006. Demolition is scheduled to occur shortly after daybreak with debris removal activities starting immediately afterward. The channel will close shortly before the bridge is dropped and will remain closed until all bridge debris has been removed from within the channel limits.
