SUBJECT: Delays at Chickamauga Lock, Tennessee River Mile 471.0

Between June 8th and June 17th, navigation traffic could experience increased delays for lockage at Chickamauga Lock. Delays will be attributed to an increase in recreational traffic associated with the annual **Chattanooga Riverbend Festival**.

In addition to the delays at Chickamauga Lock, vessels should proceed with caution in the area around Tennessee River Miles 463.0 to 471.0 due to the increased recreational traffic. A temporary river closure has also been approved for this area on June 16th between 11:15 pm and 11:45 pm to establish a safety area for a fireworks display

FOR THE DISTRICT ENGINEER:

for

JEFFREY D. ROSS
Chief, Navigation Branch
Operations Division
