**SUBJECT: Temporary Delays at Fort Loudoun Lock, Tennessee River Mile 602.3 and
Watts Bar Lock, Tennessee River Mile 529.9**

Vessel operators can expect short delays and slightly longer lockage times at Fort Loudoun Lock beginning on 21 May 2007 and at Watts Bar Lock beginning on 18 June 2007. Delays will be caused by maintenance activities in and around each lock's operating machinery recesses. Delays will only be experienced between 6 am to 5:30 pm, Monday through Friday. Work is expected to be completed by 31 August 2007.

Additional information regarding these activities can be obtained by contacting the lockmaster at each project via marine radio or by telephone at the following numbers:

Fort Loudoun Lock – (865) 986-2762

Watts Bar Lock – (423) 334-3522
