**SUBJECT: Navigation Meeting on Low Water Conditions and Upcoming Dewatering**

Nashville District Corps of Engineers will be hosting a navigation meeting September 13, 2007 from 9 am to noon. The meeting will be held at J. Percy Priest's maintenance shop conference room. The purpose of the meeting will be to discuss plans, contingencies, and traffic control during the Kentucky Lock Dewatering (Oct. 16-Nov 8), and a general discussion on how it will affect the Tennessee and Cumberland River operations.

Representatives from the Corps of Engineers, TVA, and the Coast Guard will be present.

FOR THE DISTRICT ENGINEER:

JEFFREY D. ROSS  
Chief, Navigation Branch  
Operations Division
