SUBJECT: CONSTRUCTION OF MOORING CELL, CUMBERLAND RIVER MILE 193.4

Southern Marine Construction Company will start construction of new mooring cell on February 25, 2008 at Cumberland River Mile 193.4 on the left descending bank. The date of completion is April 10, 2008. The equipment shall consist of 140 x 50 crane barge, 195 x 35 deck barge, and the MV J. E. Potter. The work will be done in the daylight hours Monday through Friday. The equipment shall be moored on location during non working hours.

Channel 13 will be monitored during working hours for contact with the vessel. All mariners should use caution when transiting this reach of the river.

FOR THE DISTRICT ENGINEER:

JEFFREY D. ROSS
Chief, Navigation Branch
Operations Division

O.T.
