SUBJECT: Repairs to CSX Railroad Bridge, Cumberland River Mile 190.4 (reference notice 07-38)

Southern Marine Construction Company will be continuing repairs to the damaged bridge pier till July 1, 2008. The repairs will be performed during day light hours, Monday through Friday.

The equipment shall consist of a 150'x54' crane barge, a 195'x 35' deck barge, a 200' x 35' hopper barge, the M/V ELIZABETH YATES, and the M/V J. E. POTTER. Operators will be able to contact the vessels on channel 13 during working hours to inquire about passing instructions. During nonworking hours the equipment will be moored along the right descending bank and properly lighted.

In the interest of safety to both personnel and equipment pilots on all vessels are urged to reduce speed and exercise caution when passing the work site.

FOR THE DISTRICT ENGINEER:

JEFFREY D. ROSS
Chief, Navigation Branch
Operations Division

O.T.
