SUBJECT: Delays at Chickamauga Lock, Tennessee River Mile 471.0

Between June 6th and June 14th, navigation traffic could experience delays for lockage at Chickamauga Lock due to an increase in recreational traffic associated with the annual **Chattanooga Riverbend Festival**.

In addition to the delays at Chickamauga Lock, the U.S. Coast Guard is expected to issue a river closure for the area around Tennessee River Miles 463.5 to 464.5, for the period of 9 pm to midnight on June 14th. The closure is to establish a safe stand-off distance for a fireworks display.

FOR THE DISTRICT ENGINEER:

JEFFREY D. ROSS
Chief, Navigation Branch
Operations Division

OT
