**SUBJECT: Temporary Lock Outage Pickwick Auxiliary at Tennessee River Mile 206.7**

Pickwick Auxiliary will have a temporary closure to navigation traffic from 6:00 a.m. on 20 May 2008 through 4:30 p.m. 21 May 2008 to setup equipment for the dewatering that begins on 27 May, 2008 through 17 June, 2008. The 1000' x 110' main lock will be available to pass traffic during this closure and the dewatering.

“Fast double” lockages will not be available during this closure. All vessels that are fifteen barges or more will be locked as a straight double through the main lock chamber.

FOR THE DISTRICT ENGINEER:

*for Owen Traughber*  
JEFFREY D. ROSS  
Chief, Navigation Branch  
Operations Division
