SUBJECT: Construction of Outfall, Cumberland River Mile 238.0, Right Bank

Peerson Construction Co., Inc. of Birmingham, Alabama will begin construction of the subject outfall on July 7, 2008 and will complete approximately October 31, 2008. The construction will take place Monday through Friday during daylight hours only.

The equipment will consist of a 40'x40' spud barge, one 40'x20' scow barge, and two utility work boats. During nonworking hours the equipment will be moored along the shoreline, onsite with proper lighting.

Pilots on all vessels are urged to exercise caution when transiting this reach of the waterway.

FOR THE DISTRICT ENGINEER:

JEFFREY D. ROSS
Chief, Navigation Branch
Operations Division

BWL
