**SUBJECT: Erection of Steel Bridge Girders within Kentucky Lock Lower Approach,
Tennessee River Mile 22.2**

The bridge contractor has established a schedule for erection of the bridge steel spanning the lower approach to Kentucky Lock. The schedule will be as follows:

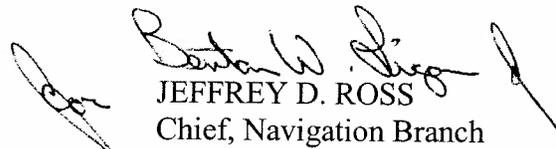

September 9, 2008 – 6:00 am to 2:00 pm
September 10, 2008 – 6:00 am to 2:00 pm
September 16, 2008 – 6:00 am to 4:00 pm

The lock will be closed to navigation during these dates and times. Notice is also given that the above dates and times could be extended if weather conditions change or for equipment issues.

Barkley Lock at Cumberland River Mile 30.6 will be available for lockage via the Barkley Canal.

Subsequent notices will be issued as conditions warrant.
