**SUBJECT: Construction Work at Chickamauga Lock, TRM 471.0**

Reference: Notice to Navigation Interests CELRN-OP-N 08-21, dated June 5, 2008, subject as above.

SES, LLC Construction Company will be performing horizontal post tensioning construction work to the existing Chickamauga Lock from October 7, 2008 to mid-November 2008. This work will require a 3-day closure of the lock beginning at 7:00 am on October 20, 2008 through 7:00 am on October 23, 2008. The lock will be closed to all commercial tows and possibly recreational traffic due to a work platform installation on the chamber side of the left descending lock wall. Depending upon how work progresses, commercial tows may experience intermittent delays up to 4 hours after October 23, 2008, until the completion of the work.

Additional comments or questions may be directed to the Lockmaster, Mr. Matt Emmons, (423) 875-6230.
