Subcommittee: Buoys and Channel Marking – Jerry Turley, Team Leader

- David Landis, COE reported buoys had been set in the Lick Creek/Devil’s Elbow, Crooked Creek, Dry Creek/Linton, Hurricane Creek, Rockcastle, Eddy Creek, Little River, and Eddyville River Port Authority. Marina’s were marked prior to the Memorial Day Holiday.
 - Bob Harbison, Eddy Creek Marina asked if a possible partnership or Memorandum of Agreement could be established if marinas want to set their buoys.
- ▶ Action Item: Research Mr. Harbison’s request; with a possible partnership with local Coast Guard Auxiliary to assist with buoy’s.
- ▶ Action Item: Subcommittee final report.

Subcommittee: Natural Resource Management – Paul Rister, Team Leader

- See attachment for subcommittee final report.

3. Bob Sneed, (COE, Hydrology & Hydraulics) - Updated the group on the continuing effects the drought conditions and reduced water level storage at Lake Cumberland has had on Lake Barkley.

4. Conclusion (Mike Looney): Reported that most subcommittees have finalized action on their goals and objectives and submitted final reports. The group discussed diminished interest and attendance for PDT meetings and the future continuation of Lake Barkley PDT. Consensus was that meetings with local stakeholders, concessionaires, local, state, and federal agencies are beneficial and meetings would be planned biannually in the spring and fall. Notification of the next meeting will be published and by email.
