Public Meeting Planned to Consider Marina Expansion

DALE HOLLOW LAKE, CELINA, TN., (June 15, 2005) - The U.S. Army Corps of Engineers, Nashville District, will hold a public meeting June 23 at Dale Hollow Lake State Resort Park as part of the process to consider a request from the Commonwealth of Kentucky, Department of Parks, for a marina expansion at Dale Hollow Lake State Resort Park in Cumberland and Clinton Counties, Kentucky.

The meeting, scheduled from 6 to 7:30 p.m., is designed to allow the public to submit comments about issues that should be addressed in the environmental review in accordance with the National Environmental Policy Act (NEPA) process.

Interested parties may attend the meeting in the marina building at Dale Hollow Lake State Resort Park to provide comments either verbally or in writing and they may also mail such comments to the address below.

For more information, contact Kim Franklin at (615) 736-7954. Statements about relevant issues can be mailed in advance of the public meeting and until July 11, 2005, to: U.S. Army Corps of Engineers, Attn: Project Planning Branch, P.O. Box 1070, Nashville, TN 37202.

NOTE: Members of the media are also welcome to attend.
