

Nashville District Request for a Jurisdictional Determination Form

This format can be used when you want to determine if areas on your property fall under regulatory requirements of the U.S. Army Corps of Engineers (Corps). Please supply the following information and supporting documents described below. This form can be filled out online and then printed. **It must be signed by the property owner** to be considered a formal request. We require original signatures; faxes are not acceptable. Submitting this request authorizes the Corps to field inspect the property site, if necessary, to help in the determination process. The Corps may also request a delineation of water resources on a property to be submitted. The printed form and supporting documents should be mailed to:

U.S. Army Corps of Engineers
Nashville District
3701 Bell Road
Nashville, TN 37214
Phone: (615) 369-7500

SUBJECT PROPERTY INFORMATION

Address: _____

County: _____

State: _____

Lat/Long in Decimal Degrees: _____ °N _____ °W

Approximate size of property in acres: _____

The subject property is: (check as many as applicable)

cleared (if checked, how long?) _____ wooded pasture agricultural field

The water resources on the subject property include: (check as many as applicable)

Streams How many? _____ Estimated lengths _____

Ponds How many? _____ Estimated acres _____

Wetlands How many? _____ Estimated acres _____

Other Water Resources (ditches, swales, etc.) How many? _____

Is the property in an incorporated area? Yes or No
If it is in an incorporated area, please provide the name of the city/town _____

Is the property subject to a conservation easement or deed restriction? Yes or No

Was the property used as mitigation for a previously permitted project by the Corps? Yes or No

Is the property neighboring, adjacent to and/or bordering a project previously permitted by the Corps?
Yes or No or Unknown

For the previous 3 questions, where answered Yes, please explain and provide the name of the project, permit number, permittee name, or permitted property address, if available:

MAPS: Please provide a map or plat (aerial photo, city or county map, soil survey photo, USGS Quad map, etc.) that accurately identifies the physical boundaries of the property. If the property is farmland, it may be necessary for you to contact the Natural Resources Conservation Service for a wetland delineation before you can request a jurisdictional determination.

If you are considering doing work on the property, please identify on a map or in a separate drawing the footprint, location, type of potential work, and water resources. This information will assist us in the determination process and reduce unnecessary delays of processing subsequent permits, if required.

OPTIONAL DOCUMENTATION: Photographs can greatly assist in the review process and often make a field visit unnecessary. We must see complete coverage of the property and/or the water resource in question, including the grass and trees.

If the property and/or the water resource in question are to be surveyed or delineated, we suggest waiting for the survey or delineation to be completed and include a copy with your request. Any other data you can include may help, such as land use or cropping history for the past five years, drainage improvements, etc.

PROCEDURE: We will review all available data within our office and attempt to provide a quick, accurate response to your request. Many determinations require a field site visit, which always takes more time to complete.

Signature of Owner

Date

Disclaimer: The information requirement for a jurisdictional determination as presented in this form is not an exhaustive list. The U.S. Army Corps of Engineers may request additional information not described in this request form.
