

An aerial photograph of a rural area in Tennessee, showing a network of roads and waterways. A red dot is placed on a road in the upper left quadrant. A red line traces a path through the area, starting from the red dot and moving generally south and east. The text '36.4774, -84.9864' is written in red above the address '1760 Poplar Cove Rd' and 'Jamestown, TN 38556'. The map shows various roads, some labeled with names like 'Poplar Cove Rd', 'Cypress Ridge Dr', and 'Pine Haven'. There are also several bodies of water, including a large lake in the upper left and several smaller streams and ponds. The terrain is hilly and green, with some cleared areas for buildings and fields.
